Early detection of lung cancer

A free community discussion forum on early detection of lung cancer is planned from:

1.30-2.30pm

Thursday 23 September

**Aroha Mai Cancer Support offices,
1238 Haupapa Street, Rotorua
Refreshments until 3pm**

Dr Denise Aitken will deliver a presentation aimed at kaumātua, people at risk, interested family and whānau who want to find out more about the early detection campaign and then share the information with their friends and family.

Numbers are limited to 20 participants. If interested please RSVP to Aroha Mai on 07 349 3118 by Tuesday 21 September, for catering purposes.

**Midland
Cancer Network**
